

# Beachwood Golf Club

Since 1968, Beachwood Golf Club has been known as the best-conditioned golf course on the Grand Strand. You won't play five and a half hour rounds, lose a dozen balls, or contend with noisy housing developments at Beachwood. Just relax and enjoy the serenity of sparkling lakes, dazzling floral displays, and communities of inquisitive wildlife.

The 18-hole championship course has hosted such prestigious events as the Carolina's Open, the Carolina's Senior PGA Championship, and the Grand Strand Amateur. Beachwood provides four sets of tees to accommodate golfers of all skill levels, and we have a full public practice facility, complete with two putting and chipping greens. Perfect conditions and the friendliest staff on the beach make Beachwood a must play on every trip to the Grand Strand!
